President's Message

Dan "Slo Motion" Henderson

Changing our event to Saturday turned out to be a good move. Our attendance was almost double of last years. The Council had a ride to it with showing of Third Tradition, MOB, Pistons, Southern and others. Southeast ABATE had a good showings, Johnnie even brought us a new member! There were no conflicts with toy runs as the Run in the Sun was the next day and Bills Bikes was supposed to be the next Sunday. There was some confusion where both were held. I want to thank all our members who worked at the event. Jeff and Darryl ran the main sign in and Scuffy held down the front door sign in. Snooze did a great job organizing the event. He helped me with the door prizes which our members got us, thanks to Whistler, Gorilla Bob and Hooker and others. Nighthawk brought our trailer and Quiet Dan did its' inventory. Besides those mentioned thanks to Charlie, Rubar, Petee, FoxyBabe and all that showed up. It was good to see a bunch come from St Lucie, Tony Wrench and Daytona Dave was there with his band friends.

Well I found my old camera wasn't working so I hurried and bought a new on. So this event was my first try using and learning it. I also took it to the December state meeting. So all those photos made it into this newsletter. When I tried to put them on our Facebook, I found I had lost all edit ability when I did the update of photos. So that is something I will have to resolve. As I did a major update on on website, I decide to put the photos there. So as you explore the site you might have to do the refresh to see the changes.

ABATE of Florida, Inc. Mission Statement

WHO WE ARE

We are a non-profit organization of motorcycle enthusiasts from all walks of life. We lobby and educate the government and the general public to promote motorcycling in a safe and positive image. We endeavor to enlist the cooperation and participation of all organizations and individuals that share a similar interest in preserving our American tradition of FREEDOM. We promote motorcycle safety, training, & political awareness. We ARE NOT A CLUB NOR A GANG. We fund our work through events, toy runs, poker runs, campouts, and other motorcycle activities. We are your neighbors & friends who work, pay taxes, and get involved with our community. We serve and support our country and believe in freedom. We use all legal means to protect our rights without infringing on the rights of others. We are Pro-choice NOT anti-helmet, it is up to you to decide.

OUR GOALS

To become a powerful and viable political force in legislative matters concerning the motorcyclist.
To promote the safe riding habits without infringing on individual freedoms.
To motivate the bikers to write letters to legislators before, during, and after the legislative session.
To furnish a newsletter to keep all bikers informed in regards to upcoming legislation.

MEMBERSHIP

When you become a member of ABATE OF FLORIDA, INC. you are helping make a difference in the ongoing mission to protect your right to ride and enjoy the motorcycle of your choice, your choice of riding apparel, and when and where you can ride a motorcycle. These are issues that are real and present in today's "protect yourself from yourself" political environment. This holds true for all levels of government. There will always be those who see our love for motorcycling as a negative and will try any means to control and if possible prohibit motorcycle use.

On the local level our members get out to vote and support candidates who are sympathetic to our issues. We also will endeavor to lobby local governments whenever there are issues that need to be addressed, affecting local motorcycle use, ownership, and any discrimination that may result from said use of ownership.

At the state level we have a paid registered lobbyist who regularly visits our state capital in Tallahassee to lobby our legislators on the issues concerning the motorcycling public in Florida. He also finds reliable House and Senate sponsors for the bills we support. On the national level we are aligned with Motorcycle Riders Foundations (MRF), and the National Coalition of Motorcyclists (NCOM), along with several other international motorcycle rights organizations (MRO's).

As one can see we have our ear to the ground and our resolve tempered like steel. As Americans we have had it demonstrated to us time and again the vigilance is armor of free men and women. We shall not let the armor rust or weaken. With your support we can re-enforce and strengthen the armor for now and generations to come.

What else do you get with your membership? All members receive with their paid membership, the Membership Card, Event Discounts and Updates, Voting Privileges, Free Newsletter Classified Advertisements, a Chapter Newsletter, and a free \$4,000 Accidental Death or Dismemberment Insurance Policy from the American Income Life Insurance Company.

Memberships are open to anyone 18 years of age or older, no matter what type of motorcycle you ride, if any at all! We welcome all riders—in clubs, associations, independents, and sport riders to join us.

OUR NEWSLETTERS are best viewed at palmbeach.abateflorida.com as most timely (by the first of month), in full color, and with active Internet links to stories, etc., of interest. And for us with older eyes, can be zoomed in without magnifying glasses. We do need our advertisers, donations and more members to be able print and distribute more copies to the county for motorcyclists to be aware of the issues facing us. So please join in and let us know of good places to put them in. Issues can be mailed to members if no Internet access. Non-members can buy a subscription for \$20 a year but the other two methods are faster as it takes more time and cost to get mailings done.

DELEGATE REPORT

Happy New Year Everyone !! 2023 is here, hope its a good one. Last month we had our state meeting in Leesburg hosted by our Lake county chapter. I was very impressed at how positive and productive it was as new ideas and hope for a brighter future for ABATE of Florida was very refreshing. For 2023 we have a new lobbyist Rich Newsome has agreed to be our Lobbyist for one year free of charge witch will save us a ton of money. The first thing he wants to do is to try and get our safety money back so we can start doing more to make our roads safer for all motorcyclists. Rich has a very extensive background as a lawyer i think he is just what we have been needing for a long time.

Sad to say but it looks like we are losing another chapter our Southernmost chapter in the Florida keys we are sad to see them go. Good news is there maybe a couple of new chapters starting up soon, one in Pasco county and the other in Orlando.

Our next state meeting will be in Melbourne and hosted by our Treasure Coast chapter. If you have never been to a state meeting before and you would like to go this is a good one for you only 2 hours away we will be riding and back the same day! So no need for a hotel stay. So if you are interested let us know

As far as our state gun raffle went the first and second prize guns were won by two guys in the Polk county chapter.

Rich has experience and lots of friends in the Capital. He is friends with a former House Speaker, Financial CEO and other experienced legislators. So his connections will be helpful, The State board is having their meetings on Zoom the week before so the bi-monthly State meetings will no longer have the board at 12:30. The plan is to move the Delegates meeting earlier to help the chapters save travel time and hotel expenses. Due to State by laws having to give notice the February meeting will stay at 2 pm.

The elections are finally over! There were only four new legislators but due to the redistricting, most to the old names are in “new” districts so I had to update this page and the legislative page on the website. They have seemed to be many changes in their offices locally and in Tallahassee, so many phone numbers have changed. Clicking on the underlined links when online with take to their sites and maps of the districts so you can see if they are still your legislators. Much of this can be confusing.

At present there is no news from the Capital, mostly it will be committees in process.

What we need is for our members to get to know their legislators and help our new lobbyist to try to get back the safety money So stay tuned on how you can help. With the February state meting be so close in Melbourne it would be fantastic to have a great turn out for a day ride to attend.

ABATE of FL Inc Palm Beach Chapter

General Meeting - Eagles Aerie WPB Oct. 16, 2022

Called to order: 11 am Start with Pledge Allegiance and a moment of prayer

Members in attendance – 22 plus 1 guest

President : Dan Henderson - Changing our event to Saturday, Nov. 3rd, turned out to be a great move. Our attendance was almost double from last year. The council had a ride to it along with Third Edition, M.O.B, Pistons, and Southern along with others. Southeast ABATE 's attendance was very good. Johnny even brought us a new member. Also, there were no conflicts with any toy runs. I want to thank all our members who worked the event. Jeff and Darryl manned the main sign in and Scuffy held down the front sign in. Snooze did a great job organizing the event and helping me with the door prizes which our members got us. Thanks to Whistler, Gorilla Bob, Hooker, Uncle Ron and others. Nighthawk brought our trailer and Quiet Dan did it's inventory. Besides those mentioned a thank you to all that attended. Wrench and Daytona Dave were there also. Photos will be published in the newsletter.

Vice President: Snooze- ABATE is now moving in the right direction. We now have a new lobbyist who is an attorney who promises to attend all legislative meetings and also to try and get the State Safety money back to us. He is close to the Governor which could help. I have a copy of the State records from 1999 to the present which shows what passed and failed. The next State meeting is the second Saturday in February in Melbourne. The Ride to the Capitol will be the 1st weekend in April. There will be a police escorted ride from Monticello to the Capitol on that Moonday.

Secretary: Whistler- There were no additions or corrections to last months minutes. Motion to accept was made and seconded.

Treasurer: Jeff- The treasury is doing well, we have money! Total income from the event was \$ 630.

Sergeant-At-Arms: Quiet Dan- Ride safe and wear a helmet.

Membership: Jeff- We currently have 144 members , 5 new from the event and 2 renewals. We also have a few t-shirts left.

Legislative: Ken/Dan- The election is over. The republicans in did very well. They won the House but lost the Senate. There were a lot of changes in the Palm Beach elections. We will have to to see whether good or bad.

Safety: Dan- Plans are being made to attend Hooter's and Clematis bike nights.

Delegate: Dan/Ken- Goals for 2023. New 501c3, safety and education bill. Old one still in effect but no new donations will be made to it. New lobbyist will do well, I believe, for our 6000 members. Get safety money back, bring back billboards, bumper

stickers and yard signs, update MSAP, cycle events, safety booth and equipment for events. Safety money would do a lot to achieving these goals. Two people should not sit on two state boards . The new one will have delegates voted to the board. Efforts should be made to get life members to attend meetings.

Products: Dan- We have some t-shirts left for \$10. We are looking into colored ones. Debbie will contact the Eagles t-shirt maker. There are some "LB" patches left

Newsletter: Dan- Website up to date. Photos are updated.

Old business: Dan- Our event was a success. Thanks to all that helped and attended.

New business: Dan – Next event will be held in May/June 2023. Possibly May 20th.

Good of the Order: Dan- M.O.B will have their open house 1/6 on the first Friday at the clubhouse. Please check newsletter for info. Please support Third Edition when they have events. They supported ours we should support theirs. Our next meeting is January 15th at the Eagles– Aerie. Gator Alley needs volunteers for the swamp buggy races coming up Jan 28th-29th. Southeast abate annual Jan. 22 at Mickey's. Watch newsletter for dates.

Motion was made to adjourn and was seconded.

Time of adjournment was 11:53 A.M

RENEWAL REMINDERS

One membership concern is that we have lost a lot of members due to their not be aware of renewal dates. It has been many years since we did mailings, sometimes due to money issues. So Jeff will be working with Debbi to rebuilt this campaign. It was discussed and decided to bring back the newsletter notification last. Life members will not be on this list but will be told of changes and to be sure ADD beneficiary forms are on file at State office IMPORTANT to have active membership for this accident insurance and updated forms. Another reason not to be on list are members who aren't aware they have expired I have already found that several members at last meeting were not on active list. I think I know of others so working to let them know. **Membership expires on the last day of the Month/Year column.**

EXPIRES LAST FIRST .
