## President's Message

Dan "Slo Motion" Henderson

This month issue really gave me problems, I got a lot of messages "not responding" My publisher program was worse and corrupted the external drive with my newsletter files. I spent time and money trying to repairs Windows. I thought I would have to totally re-build the newsletter template so the newsletter would be late.

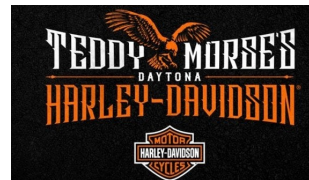

Finally I found an older newsletter file that was saved in my documents. So it did take awhile to get in updated. Lucky I had photos from the Southeast event and the Dania Beach Vintage Bike show to fill the blank pages. Unfortunately I did not have time to the movie review so that will have to be in next month.

### EDITORIAL GUIDELINES

You are encouraged to submit letters about ABATE related to events, articles, photographs, commentaries, etc. Please do not submit slanderous nor accusing letters, profanity nor nudity. Abate of Florida, Inc., will not accept any advertising that discriminates against any type of motorcyclist

The ABATE state meeting it Melbourne Feb. 11, again this is a one day trip. Feb. 19 is our next chapter meeting after the state meeting. At the bike show I got a lot of information of upcoming events. Feb 24 -26 is the Boca Raton Concours D'elegance car and bike show. I think I might be able to get a press pass for this as always wanted to go. Feb 25 is the ABATE 5 Star Event in Ft. Myers. With time of 10 am to 5 pm I'm thinking of going over for the day. So it seems the old days are back with more events and bike nights. Soon in March it will be Daytona BikeWeek, so you can visit

Destination Daytona under new ownership.

## ABATE of Florida, Inc. Mission Statement

### WHO WE ARE

We are a non-profit organization of motorcycle enthusiasts from all walks of life. We lobby and educate the government and the general public to promote motorcycling in a safe and positive image. We endeavor to enlist the cooperation and participation of all organizations and individuals that share a similar interest in preserving our American tradition of FREEDOM. We promote motorcycle safety, training, & political awareness. We ARE NOT A CLUB NOR A GANG. We fund our work through events, toy runs, poker runs, campouts, and other motorcycle activities. We are your neighbors & friends who work, pay taxes, and get involved with our community. We serve and support our country and believe in freedom. We use all legal means to protect our rights without infringing on the rights of others. We are Pro-choice NOT anti-helmet, it is up to you to decide.

### OUR GOALS

To become a powerful and viable political force in legislative matters concerning the motorcyclist.  
To promote the safe riding habits without infringing on individual freedoms.  
To motivate the bikers to write letters to legislators before, during, and after the legislative session.  
To furnish a newsletter to keep all bikers informed in regards to upcoming legislation.

### MEMBERSHIP

When you become a member of ABATE OF FLORIDA, INC. you are helping make a difference in the ongoing mission to protect your right to ride and enjoy the motorcycle of your choice, your choice of riding apparel, and when and where you can ride a motorcycle. These are issues that are real and present in today's "protect yourself from yourself" political environment. This holds true for all levels of government. There will always be those who see our love for motorcycling as a negative and will try any means to control and if possible prohibit motorcycle use.

On the local level our members get out to vote and support candidates who are sympathetic to our issues. We also will endeavor to lobby local governments whenever there are issues that need to be addressed, affecting local motorcycle use, ownership, and any discrimination that may result from said use of ownership.

At the state level we have a paid registered lobbyist who regularly visits our state capital in Tallahassee to lobby our legislators on the issues concerning the motorcycling public in Florida. He also finds reliable House and Senate sponsors for the bills we support. On the national level we are aligned with Motorcycle Riders Foundations (MRF), and the National Coalition of Motorcyclists (NCOM), along with several other international motorcycle rights organizations (MRO's).

As one can see we have our ear to the ground and our resolve tempered like steel. As Americans we have had it demonstrated to us time and again the vigilance is armor of free men and women. We shall not let the armor rust or weaken. With your support we can re-enforce and strengthen the armor for now and generations to come.

**What else do you get with your membership?** All members receive with their paid membership, the Membership Card, Event Discounts and Updates, Voting Privileges, Free Newsletter Classified Advertisements, a Chapter Newsletter, and a free \$4,000 Accidental Death or Dismemberment Insurance Policy from the American Income Life Insurance Company.

Memberships are open to anyone 18 years of age or older, no matter what type of motorcycle you ride, if any at all! We welcome all riders—in clubs, associations, independents, and sport riders to join us.

# DELEGATE REPORT

This will be one of the closest meetings to us. Lighthouse is gone so only chapter closer is Southeast. It is only a two hour trip so should be easy to make it a one day trip up 95. State meetings are not long now but it will give our members a good chance to meet other chapters, the state board and likely our new lobbyist. We don't have to sit through Board meeting as they have them the week earlier. Delegates meet at 2 and that will be earlier in future. Snooze will arrange ride,

There were only four new legislators but due to the redistricting, most of the old names are in “new” districts so I had to update this page and the legislative page on the website. There are many changes in their offices locally and in Tallahassee, so many phone numbers have changed. Clicking on the underlined links when online with take to their sites and maps of the districts so you can see if they are still your legislators. Much of this is very confusing.

At present there is no news from the Capital, mostly it will be committees in process.

What we need is for members to get to know their legislators and help our new lobbyist to try to get back the safety money so stay tuned on how you can help.

With the February state meeting be so close in Melbourne it would be fantastic to have a great turn out for a day ride to attend. You can learn more about the new board and the legislative plans.

**SAFETY: Dan Henderson.** Plans are being made to attend Wild Wing's and Clematis bike nights. We are also looking for another safety person to man the safety table at future events (bike nights, etc).

**DELEGATE: Dan, Ken Gerecke.** State meeting coming in February. Nothing much to report. Abate has hired a new CPA due to problems with the old one. Abate Safety and Education committee denied ABATE's request for safety products (501c3).

**PR/WEB/NEWSLETTER: Dan Henderson** Major update. Any problems hit "Refresh". Problems loading onto F.B. I am currently doing reviews on M.C movies. Results to follow at later date.

**PRODUCTS: OPEN.** We are still looking into new t-shirts.

**OLD BUSINESS:** Next annual location being sought. Possibly Frenchie's on Lake Worth drive or Eagles-Aerie on Military Trail. Parking and food kitchen are a primary concern. Any ideas for the annual will be greatly appreciated. Lighthouse chapter of ABATE will be shutting down. Next event will be held in May/June 2023. Possibly May 20th.

**NEW BUSINESS:** none

**GOOD OF THE ORDER:** Try to attend S.E ABATES' annual at Mickey's Tiki Bar.

### A.D.D. INSURANCE POLICY UPDATE

We all realize the \$4,000 Accidental Death and Dismemberment insurance policy if one of the best benefits of being an ABATE member. That is one reason to keep your membership up to date. Renew early so there is no lapse in coverage. The insurance company no longer sends out the form. You **MUST** name someone on your membership form to get the money in case of death to prevent taxes and being in probate court. Contact ABATE of FL. main office and

Get your card at chapter meeting or our table at events.

**Keep your membership up to date for the insurance, check with us if any question as many have expired during the last few years. President or membership can chck your status.**

# RENEWAL REMINDERS

One membership concern is that we have lost a lot of members due to their not be aware of renewal dates. It has been many years since we did mailings, sometimes due to money issues. So Jeff will be working with Debbi to rebuilt this campaign. It was discussed and decided to bring back the newsletter notification last. Life members will not be on this list but will be told of changes and to be sure ADD beneficiary forms are on file at State office IMPORTANT to have active membership for this accident insurance and updated forms. Another reason not to be on list are members who aren't aware they have expired I have already found that several members at last meeting were not on active list. I think I know of others so working to let them know. **Membership expires on the last day of the Month/Year column.**
