President's Message

Dan "Slo Motion" Henderson

Events are now starting to show up. The weekend of Feb 25 had many choices. I was thinking of going over to Ft Myers for the ABATE 5 Star event but stayed local as we did a table at the Dillan Ins. Car Show in Ft. Worth. Snooze and Jeff got there and set up his tent as Jeff entered his vintage car. Charlie was there and Rebar shared the tent with his Eagles 50/50 raffle for the Convent House so that brought people to the tent. So di the Cigar Queen when she set up near us (see cover girl). I have some photos on pages 11 to 13. Some of the Nam Knights were there, Rock n Roll Sunday will be back May 21, including a Chili Cook off and car/bike show. Next day on Sunday I went to Lake Ida Park for the Alternatives MC Annual. Snooze and Jeff came in riding with the Council. Even Palm Beach Harley actually posted a lot of their events on their site, including ore 3rd Thursday bike nights at the dealership. On March 18 is the Estero Legendary Party and the WPB Fly-In Wheels are a St. Patrick Open House Party. On the 19th Boca Raton American Legion Rider Post 277 are having a Pig Roast.

April will also be busy. The 1st is the Arcadia Bikefest. ABATE has it state meeting Sunday th 2nd in Monticello with the Ride to the Capital on Monday. How there will be a big turnout for that. April 19 is the Zepherhills Music and Motorcycles. Saturday 22 is the blessing of the bikes at American Legion 266 Rivieria Beach. Leesburg Bikefest is back April 28—30 and ABATE Lake is has the campground at the Eagles, which is always a great time!

May has more events including Thunder Beach , Polk's Skills on Wheels Rodeo and the Clearwater to Keys run

ABATE of Florida, Inc. Mission Statement

WHO WE ARE

We are a non-profit organization of motorcycle enthusiasts from all walks of life. We lobby and educate the government and the general public to promote motorcycling in a safe and positive image. We endeavor to enlist the cooperation and participation of all organizations and individuals that share a similar interest in preserving our American tradition of FREEDOM. We promote motorcycle safety, training, & political awareness. We ARE NOT A CLUB NOR A GANG. We fund our work through events, toy runs, poker runs, campouts, and other motorcycle activities. We are your neighbors & friends who work, pay taxes, and get involved with our community. We serve and support our country and believe in freedom. We use all legal means to protect our rights without infringing on the rights of others. We are Pro-choice NOT anti-helmet, it is up to you to decide.

OUR GOALS

To become a powerful and viable political force in legislative matters concerning the motorcyclist.
To promote the safe riding habits without infringing on individual freedoms.
To motivate the bikers to write letters to legislators before, during, and after the legislative session.
To furnish a newsletter to keep all bikers informed in regards to upcoming legislation.

MEMBERSHIP

When you become a member of ABATE OF FLORIDA, INC. you are helping make a difference in the ongoing mission to protect your right to ride and enjoy the motorcycle of your choice, your choice of riding apparel, and when and where you can ride a motorcycle. These are issues that are real and present in today's "protect yourself from yourself" political environment. This holds true for all levels of government. There will always be those who see our love for motorcycling as a negative and will try any means to control and if possible prohibit motorcycle use.

On the local level our members get out to vote and support candidates who are sympathetic to our issues. We also will endeavor to lobby local governments whenever there are issues that need to be addressed, affecting local motorcycle use, ownership, and any discrimination that may result from said use of ownership.

At the state level we have a paid registered lobbyist who regularly visits our state capital in Tallahassee to lobby our legislators on the issues concerning the motorcycling public in Florida. He also finds reliable House and Senate sponsors for the bills we support. On the national level we are aligned with Motorcycle Riders Foundations (MRF), and the National Coalition of Motorcyclists (NCOM), along with several other international motorcycle rights organizations (MRO's).

As one can see we have our ear to the ground and our resolve tempered like steel. As Americans we have had it demonstrated to us time and again the vigilance is armor of free men and women. We shall not let the armor rust or weaken. With your support we can re-enforce and strengthen the armor for now and generations to come.

What else do you get with your membership? All members receive with their paid membership, the Membership Card, Event Discounts and Updates, Voting Privileges, Free Newsletter Classified Advertisements, a Chapter Newsletter, and a free \$4,000 Accidental Death or Dismemberment Insurance Policy from the American Income Life Insurance Company.

Memberships are open to anyone 18 years of age or older, no matter what type of motorcycle you ride, if any at all! We welcome all riders—in clubs, associations, independents, and sport riders to join us.

Hog wild! World’s most expensive motorcycle sells for nearly \$1M Natalie O'Neill Feb 15, 2023

An ultra-rare Harley-Davidson motorcycle from 1908 sold for nearly \$1 million — the highest price ever

paid for a bike at auction — after it was found in a dusty old barn in Wisconsin. The 114-year-old hog sold to a mystery buyer for \$935,000 via Mecum Auctions in Las Vegas in late January, according to the auction house. The bike is believed to be one of only 12 “Strap Tank” motorcycles — made with nickel-plated steel bands to suspend the bike’s fuel tanks from the frame— in the entire world. It’s considered one of the earliest models of motorcycles vintage gearheads could get their hands on. The motorcycle was found in good shape in 1941 by Wisconsin resident David Uihlein, the auction house said.

He kept it for the next 66 years and it was recently restored by collector Paul Freehill“ We marketed the bike well, and Harley is by far the most famous American motorcycle brand, so we had a feeling it would do well in auction, but obviously you are surprised anytime you sell the most expensive bike ever,” Greg Arnold, motorcycle division manager at Mecum Auctions, told told the Milwaukee-Journal Sentinel. Vintagent, a website that tracks auctions of vintage motorcycles, said the sale marked highest price ever paid for a motorcycle at an auction. of Fort Wayne, Ind. <https://nypost.com/2023/02/15/worlds-most-expensive-motorcycle-a-1908-harley-davidson-sells-for-nearly-1m/>

SLO MOTION'S MOVIE REVIEW

Some of you know that I'm a movie fanatic and have a large DVD collection. Being a biker I do have a large collection of motorcycle films, so this title grabbed my eye. The perfect title of a drive-in movie (if we still had any!) This is a modern movie, actually there are more bike films now than in the 60-70s, with at least a few every year. I found this description which is perfect in Wikipedia so saved me from writing one. The quality was good with great production.

Nude Nuns with Big Guns is a 2010 nunsploitation vigilante action film directed by Joseph Guzman and starring Asun Ortega, David Castro, and

Perry D'Marco. "A young Mexican nun, named Sister Sarah, is neglected and abused by a corrupt priest who produces and distributes heroin. After a bad drug deal, she is handed over to thugs to be used as an instrument as sex for money. On the verge of death after being heavily drugged and wounded and raped, the nun receives a commandment from God to take revenge. Acquiring heavy weapons (including big guns and vibrators), Sister Sarah sets out to kill those who had abused her and are using the church for their own personal gain. The frightened drug lords in the church hires "Los Muertos", a violent motorcycle gang, to track her down and eliminate her. Los Muertos' base of operations is the local brothel "Titty Flickers", where they try to gather more information on the vigilante nun. After being wounded in a shootout, Sister Sarah hides out in a fleabag motel where she

recovers and finally achieves vengeance by killing Los Muertos, emasculating Chavo (the brutal leader of Los Muertos), and saving her female lover who had been raped. But in the final scene, the cardinal drug lord, known only as the Monsignor, hires another hit man to track down the vigilante nun, leaving the door wide open for a sequel." https://en.wikipedia.org/wiki/Nude_Nuns_with_Big_Guns

And for us with older eyes, can be zoomed in without magnifying glasses. We do need our advertisers, donations and more members to be able print and distribute more copies to the county for motorcyclists to be aware of the issues facing us. So please join in and let us know of good places to put them in. Issues can be mailed to members if no Internet access. Indian Motorcycle take aim at Harley's Low Rider ST with new Sport Chief model

Published: 21 February 2023

Indian Motorcycle have added a new model to their Chief cruiser range, promising better ground clearance, more aggression and more composed suspension.

The Sport Chief starts at £19,995 and will join the existing £17,495 Chief Dark Horse, the £19,495 Chief Bobber Dark Horse, and £22,095 Super Chief Limited – with its quarter fairing and sporting stance making it a natural competitor to Harley-Davidson's £20,695 Low Rider ST.

Mike Dougherty, President of Indian Motorcycle, said: “With the introduction of Sport Chief, the 2023 Indian

Chief line-up is more diverse than ever – offering a wide range of performance and styling options to meet each rider's unique personality and riding preferences.”

Powering the new Sport is Indian's 1890cc Thunderstroke 116 V-twin, which produces a claimed 119.6lbft of torque at just 3200rpm. This is housed in a blacked-out steel tube frame and fed via a 15.1-litre fuel tank, which should go further between refills thanks to rear cylinder deactivation at select speeds.

Hiding behind the new quarter fairing is the rounded single TFT clock display, plus a fresh set of upright bars with machined triple clamps and 152mm risers. Mid-mounted foot controls – rather than stretched out front – also indicate its sporting prowess.

The 101mm digitised dash also allows you to navigate between three riding modes, and connect to your phone – with an optional adaptive LED headlight, ABS, and keyless ignition completing the technical spec.

Away from the gadgets, the new Chief rolls on Pirelli Night Dragon tyres, with suspension provided by upside down KYB forks pinched from the larger Challenger models and Fox piggyback shocks available in the options catalogue.

With 24 clicks of adjustable compression and rebound damping, these are said to increase suspension travel by 100mm and allow lean angles to increase to up to 29.5 degrees.

Although the bikes you see in the images comes with just a rider's seat, a pillion option with small back support is available too, as well as front seating changes to reduce or extend the reach to the handlebars.

DELEGATE REPORT

Our state meeting for the month of February was held by our Treasure Coast Chapter in Melbourne and they did a great job as usual. We decided to drive up there in Slo-Mo's car because the weather for the return trip did not look good and we were right, it did not disappoint.

Some bad news we were told the Lighthouse chapter is closed along with Southernmost chapter. Polk county ran away with most new members and highest percentage of growth in November and December.

As far as new bills being drafted and filed HB-709 witch is to get us our safety money back after all only motorcyclists pay for this as the money comes from only motorcyclists when they register their bikes. Lets all cross our fingers it passes god knows we need it !!

NCOM will be in Phoenix in June this year.

Tallahassee 2023 is still pending but if approved the ride to the capital will be on April 3rd state meeting on Sunday the 2nd

Although we lost a couple of chapters we also gained a couple. The new chapters are the Boneyard chapter in Pasco county and the Central chapter in Orlando we welcome these new chapter and wish them great success.

The State board is working on another state party to raise funds supposed to be in September we will keep you posted on this as well as other things going on down the road.

On another note things are getting back to normal now with a lot going on around such as bike nights and events so pick up an ABATE chapter newsletter or come to a meeting all info you need is in this newsletter.

Ride Safe Ride Smart !!

SNOOZE

We are bringing ABATE of Florida back to Bike Week .We are looking for people to man an ABATE booth at Bike Week. Thursday, March 9th at Willie's Chopper Show and March 9, 10, and 11 at Annie Oakley's. This is a state booth, not just Forest Chapter. If you are interested in doing a 2-hour shift or more, contact us by PM or reply to this post. You can also contact John or Bridgette.

Polk is asking the Chapters if they are interested in a party put on by Polk. There will be a dinner and a Ride if approved. Should be Labor Day weekend. Asking if there is an interest. We now have a Safety Trustee and also new webmaster/Master Link editor. Website and newsletter are asking chapters for some input. WE are still going to the Tallahassee area for the April State meeting, Sunday April 2nd in Monticello. We are still awaiting on the confirmation for the Ride to the Capital on Monday. It was discussed that even if not confirmed we should ride as a show of our commitment. It would be great for more riders from our chapter and area would join Snooze and Jeff. Slo Motion

House Tees Up Concealed Weapons Bill By Jim Turner Feb 21, 2023

. TALLAHASSEE --- The House Judiciary Committee on Tuesday backed a proposal that combines allowing people to carry concealed firearms without licenses and efforts to improve school safety, despite Democratic arguments that easing gun restrictions would increase violence.

A Senate committee on Monday approved a similar measure, with some gun-rights groups --- which want people to be able to openly carry firearms in most public places --- calling the proposal “too weak.”

The Republican-dominated House committee voted 16-7 to approve the House version (HB 543), which would allow people to carry concealed guns without going through state licensure, background screening and required training. It also would provide money for school hardening and take other steps to address school safety, including coordinating threat-assessment services, allowing armed “guardians” in private schools and calling for firearm-detection dogs at schools.

With Tuesday’s vote, the House bill is ready to go to the full House after the annual legislative session starts March 7.

Bill sponsor Chuck Brannan, R-Macclenny, said the proposal would allow people to decide for themselves about carrying concealed firearms for self-defense, while also providing a deterrent to mass shootings through such things as the expansion of school guardians.

“This bill will simply allow Floridians to carry their firearm without the red tape and expense of a government license,” Brannan said.

The Senate Criminal Justice Committee on Monday voted 5-3 along party lines to approve the Senate version (SB 150).

ABATE of FL Inc Palm Beach Chapter

General Meeting - Eagles Aerie WPB February 19, 2023

Called to order: 11 am Start with Pledge Allegiance and a moment of prayer

Members in attendance – 20

President : Dan Henderson - I would like to thank the board members for a job well done. Their help makes being President a lot easier than it would be without them. We have chapter elections in June and I urge all members to think about running for positions they would be interested in. We currently need Products officer, Safety officer, and Legislature officer. Two Abate chapters have shut down. These being Southemmost and Lighthouse chapters. Two new chapters have started up. These being Boneyard chapter in Pasco County and Central Florida chapter. Let's wish them the best

Vice President: Snooze- The State Board is running in the right direction with the new State President Griz at the helm. H.B 709 was filed, Safety monies that were allotted to Abate from the State to be spent on safety issues. Let 's hope we are successful. Also, let's think about Wills. Upon the death of both partners , god forbid, all benefits would go to the probate court to be decided by a judge. Let's not let that happen.

Secretary: Whistler- There were no additions or corrections to last month's minutes. Motion to accept was made, seconded and accepted.

Treasurer: Jeff- The treasury is doing well, the books balanced, we have money! The Abate mailbox cost has increased again. Time to maybe think of a new location. Any advice would be appreciated.

Sergeant-At-Arms: Dan – Ride safely and wear a state approved helmet.

Membership: Jeff- We currently have 145 members including 8 renewals. Membership dues were discussed. The current dues should be changed to \$300 life membership and \$30 annual membership. This has to be discussed at State meetings for consideration.

Legislative: Ken/Dan- We are currently working on retrieving the safety money, H.B 709 will give \$1 from registration to ABATE. Again this is not tax for anybody just paid by motorcyclists to benefit motorcyclists. RENEWAL REMINDERS

One membership concern is that we have lost a lot of members due to their not be aware of renewal dates. It has been many years since we did mailings, sometimes due to money issues. So Jeff will be working with Debbi to rebuilt this campaign. It was discussed and decided to bring back the newsletter notification last. Life members will not be on this list but will be told of changes and to be sure ADD beneficiary forms are on file at State office IMPORTANT to have active membership for this accident insurance and updated forms. Another reason not to be on list are members who aren't aware they have expired I have already found that several members at last meeting were not on active list. I think I know of others so working to let them know. **Membership expires on the last day of the Month/Year column.**

EXPIRES LAST FIRST .
