RIDE IN PEACE

FREEDOM OF CHOICE

WEAR A HELMET IF YOU WANT TO WEAR ONE

October 16, 2024. Earlier today, the Insurance Institute for Highway Safety (IIHS) released a study claiming that since the mid-1970s more than 20,000 motorcyclists would have survived crashes had they been wearing a helmet. In total, the IIHS report says, 11% of motorcyclist fatalities over nearly 50 years would have been prevented by helmet usage.

While we understand and respect the mission of the IIHS to reduce traffic injuries, fatalities and property damage, the Motorcycle Riders Foundation (MRF) finds it necessary to point out three principal tenets of our position on helmet usage. First, since our creation, the MRF remains steadfast in the belief that those who ride should decide. Fundamentally, we believe that each rider is in the best position to evaluate the choices they make when riding, which includes the choice to wear a helmet or not, as well as the type of helmet.

Second, the absence of a helmet mandate in the 33 states with freedom of choice does not force motorcyclists to ride helmetless. These choice states simply allow a rider to make their own decision. Thousands of riders in states that do not have helmet mandates ride with a helmet and we support their right to do so. Additionally, states with universal helmet laws do not claim 100% compliance.

Finally, a primary part of our legislative agenda and messaging is crash avoidance. A crash that does not happen is always safer than a crash that occurs. As such, focusing on avoiding or preventing a crash before it happens is far more valuable than making a crash “safer.” For this reason, the MRF has always supported rider training and motorcycle awareness as proactive measures.

This report demonstrates that motorcyclist fatalities are a growing concern for policymakers. While the MRF and IIHS view this topic differently, we will continue to work on areas where we find common ground.

OUR NEWSLETTERS are best viewed at palmbeach.abateflorida.com as most timely (by the first of month), in full color, and with active Internet links to stories, etc., of interest. And for us with older eyes, can be zoomed in without magnifying glasses. We do need our advertisers, donations and more members to be able print and distribute more copies to the county for motorcyclists to be aware of the issues facing us. So please join in and let us know of good places to put them in. Issues can be mailed to members if no Internet access. Non-members can buy a subscription for \$20 a year but the other two methods are faster as it takes more time and cost to get mailings done.

ABATE of Florida, Inc. Mission Statement

WHO WE ARE

We are a non-profit organization of motorcycle enthusiasts from all walks of life. We lobby and educate the government and the general public to promote motorcycling in a safe and positive image. We endeavor to enlist the cooperation and participation of all organizations and individuals that share a similar interest in preserving our American tradition of FREEDOM. We promote motorcycle safety, training, & political awareness. We ARE NOT A CLUB NOR A GANG. We fund our work through events, toy runs, poker runs, campouts, and other motorcycle activities. We are your neighbors & friends who work, pay taxes, and get involved with our community. We serve and support our country and believe in freedom. We use all legal means to protect our rights without infringing on the rights of others. We are Pro-choice NOT anti-helmet, it is up to you to decide.

OUR GOALS

To become a powerful and viable political force in legislative matters concerning the motorcyclist.
To promote the safe riding habits without infringing on individual freedoms.
To motivate the bikers to write letters to legislators before, during, and after the legislative session.
To furnish a newsletter to keep all bikers informed in regards to upcoming legislation.

MEMBERSHIP

When you become a member of ABATE OF FLORIDA, INC. you are helping make a difference in the ongoing mission to protect your right to ride and enjoy the motorcycle of your choice, your choice of riding apparel, and when and where you can ride a motorcycle. These are issues that are real and present in today's "protect yourself from yourself" political environment. This holds true for all levels of government. There will always be those who see our love for motorcycling as a negative and will try any means to control and if possible prohibit motorcycle use.

On the local level our members get out to vote and support candidates who are sympathetic to our issues. We also will endeavor to lobby local governments whenever there are issues that need to be addressed, affecting local motorcycle use, ownership, and any discrimination that may result from said use of ownership.

At the state level we have a paid registered lobbyist who regularly visits our state capital in Tallahassee to lobby our legislators on the issues concerning the motorcycling public in Florida. He also finds reliable House and Senate sponsors for the bills we support. On the national level we are aligned with Motorcycle Riders Foundations (MRF), and the National Coalition of Motorcyclists (NCOM), along with several other international motorcycle rights organizations (MRO's).

As one can see we have our ear to the ground and our resolve tempered like steel. As Americans we have had it demonstrated to us time and again the vigilance is armor of free men and women. We shall not let the armor rust or weaken. With your support we can reenforce and strengthen the armor for now and generations to come.

What else do you get with your membership? All members receive with their paid membership, the Membership Card, Event Discounts and Updates, Voting Privileges, Free Newsletter Classified Advertisements, a Chapter Newsletter, and a free \$4,000 Accidental Death or Dismemberment Insurance Policy from the American Income Life Insurance Company.

Memberships are open to anyone 18 years of age or older, no matter what type of motorcycle you ride, if any at all! We welcome all riders—in clubs, associations, independents, and sport riders to join us.
